Shooting Sports Camp is Locked and Loaded

This Tuesday is the last opportunity for you to sign up for the Shooting Sports Camp this October. The cost has been raised to \$30 to help cover the cost of the additional ammunition.

In addition to the camp payment, a permission slip must be filled out and submitted. A permission form is required for your son to participate in the scheduled weekend activities. The required permission form is attached.

Please let me know if you have any questions. The PLC is fine-tuning their schedule and will surely make it a camp to remember.

Popcorn Blitz Day a Huge Success

Congratulations go out to Greg Heiser and Tim Palkovits for being the top 2 selling scouts in the Quarryland District. Each of them earned the 8 GB Ipad as a reward for their hard work.

I know a number of scouts have begun selling popcorn and are making some good headway. Please remember that this is group effort and everyone's help is needed. Good luck and happy selling.

Great job Greg and Tim!!!

Troop 701 Highway Clean Up Project

This weekend will be Troop 701's I-71 Highway Clean Up project. One of our 3 areas of service is focusing citizenship and support your community. In an effort to help keep the City of Strongsville looking as good as possible, we will be once again clean up the interchange.

I would especially like to challenge our older scouts to participate and remind them that earning the Community Service Award is now a requirement for becoming a leader next year. No point in waiting to the last minute to earn it.

We will be meeting in the Holiday Inn parking lot and staging our groups there. We will start meeting at 9:00 and hope to be done sometime around noon. Everyone is encouraged to bring work gloves and wear boots. We will provide all the safety equipment required.

Hope to see all of you there!

Fall Troop Court of Honor Announced

The evening of Tuesday October 18th will be Troop 701's Fall Troop Court of Honor. All badges and awards earned up to this Tuesday's meeting will be presented at this event. We will be starting at 6:30 that even so please plan to arrive by at least 6:15 so we can start on time. Hope to see everyone on the 18th.
