

Boy Scout Troop 701

Strongsville, Ohio

~ October 31, 2011 ~

Fall Troop Court of Honor

Troop 701's Fall Court of Honor is scheduled for this Tuesday. We will be recognizing Scouts with all the awards earned since March. The Court of Honor will begin at 6:30 PM and will be located in the Chapman Gym. Please join us for the evening and you're your support for your son.

Popcorn Order Forms Due

Today is the last day of the Popcorn Sale so get those final orders in. Once you are done, please finalize your order form and select the prize you wish to receive. Popcorn order forms **MUST** be turned in this week. There will be a box in the back of the gym for sale forms. Please place your sale form in it. If you are not able to make it to the Court of Honor to turn in your form you need to make arrangements with Dave Klypchak to turn your form in. Thank you for everyone who decided to support the Troop. Great Job!

Dave Klypchak | (440) 238-9158 | klypchak@att.net

Strongsville Sharing Tree Gift Tags

Over the past couple of weeks we have been distributing gift tags to help support the Strongsville Sharing Tree. Each gift tag is gift request for a child in Strongsville who otherwise would not be receiving a gift. The tag has all the info you need to select the gift such as male or female, their age, and the child's request.

We current have about 40 tags remaining. We will have the tags spread out at the Court of Honor on a back table. Please take a moment to grab a tag and help make the holidays a little brighter for kids here in Strongsville.

Troop 701 Backpacking in November

This weekend Troop 701 will be backpacking. Money is due this Tuesday if you still need to pay. Please hold your money until the end of the Court of Honor. There are still a couple of backpacks available for loan if you still need one. Remember, Scouts are providing their own food for the weekend. They will also need to have 2 – 1 quart water bottles filled with water **BEFORE** we leave Strongsville. If you still have questions, please see our packing on our site, visit the Scout Handbook, or check online for food ideas.

We will be gathering at Chapman on Friday between 6:30 and 6:45 PM. Fingers crossed, the weather is looking good for the weekend. See everyone on Friday!

Troop 701 Backpacking in November

By Erik Rowan, Troop Scribe

On Saturday November 12th everybody should already know where they are going to be. The answer is Yard Charge. This is an incredibly important service project that directly helps the citizens in the Strongsville community. Yard charge consists of raking the leaves in the yards of those who are elderly or unable to do it themselves. It is a great service project where you can see the effects of it everyday. Driving through the city you will be able to see the great work you have done for these community members' yards and have pride in the work you provided for them. Make sure to bring a rake, gloves and a tarp. Maybe even throw a trash bag in your pocket in case you find any trash in their yard. Yard Charge is a way to help the citizens of Strongsville in a tremendous way and nothing brings a better feeling then receiving a heartfelt thank you from a sweet old lady.
