

Boy Scout Troop 701

Eagle Leadership Projects

These projects are only suggestions. Each Eagle Scout candidate is responsible for developing his own Eagle Leadership Service Project. This list may change and it is recommended that you check with the listed contact first to make sure that the project is still available / desired.

Location	Project	Description	Contact
City of Strongsville	Storm Sewer Education Program	To build/paint "No Dumping Signs" for each Man Hole Cover in the City of Strongsville. There could be enough work for two Eagle Projects	Jennifer Milbrandt
City of Strongsville	Storm Drain Stenciling	Stencil storm drains and hand out information to residents educating them about pollution	Jennifer Milbrandt
City of Strongsville	Paint Fire Hydrants	Paint fire hydrants around the city	Jennifer Milbrandt
City of Strongsville		There are three gardens the city would like to put in along the I-71 interchange on the East side	Jennifer Milbrandt
Strongsville Backyard Preserve	Freedom Trail	To Coordinate with the Strongsville Veterans and Historical Society information of each Strongsville Citizen who fought in each War beginning with The Revolution War. This booklet will be an important part of the Strongsville Freedom Trail.	Jennifer Milbrandt
Strongsville Backyard Preserve	Oak Leaf Trail	Restore path, install steps, and address drainage issues	Jennifer Milbrandt
Strongsville Backyard Preserve	River edge	Stream bank restoration planting	Jennifer Milbrandt
Strongsville Backyard Preserve	Amphitheater	Add retaining wall	Jennifer Milbrandt

Location	Project	Description	Contact
Strongsville Historical Village	General Store	Paint the exterior; repair and paint the overhang	Karen Lehman
Strongsville Historical Village	Academy	Paint the exterior	Karen Lehman
Strongsville Historical Village	Cupola	This is the original belfry of the Old Town Hall; once it has been relocated, it will need to be restored	Karen Lehman
Strongsville Historical Village	Outbuildings at Lathrop House	Restore smokehouse; restore outhouse	Karen Lehman
Strongsville Historical Village		Add a gate entrance to the northeast area of the present gate	Karen Lehman
Camp Cheerful	Maintenance House Porch	This would be a 12 x 12 porch that would attach to the Maintenance House. 50% of the wood is already gathered, so 50% is still needed, along with all roofing materials, trusses, and screens	Tim Fox
Camp Cheerful	River Canoe Landing	Complete the River Canoe Landing (40 hours remaining). This would be to level out the access path and to cover with wood or another material for wheelchair access.	Tim Fox
